DEPARTMENT OF THE GULF. THIRD EDITION

Particulars of General Davidson's Expedition.

HISSAFE ARRIVAL AT PASCA-GOULA, MISSISSIPPL

Capture of Blockade-Runners on the Texas Coast.

NEWS FROM MEXICO.

The United States steam transport Thomas A. Seott, Captain O'llinou, from New Origina 14th, via Key West 18th 10st, arrived at New York

DENERAL DAVIDSON AT PASCAUDULA. Kew Onleads, December 1: - Bespatches were received yesterbay announcing the series a Passesonia of G need Davidson, with his divi-tion of cavalry, from Baton Rouge.

STUDIES OF THE EXPLUITION. The expectation has been eminently successful and its increasing as were commonly as covariant and its increasing and its increasing a show of exposition.

On the march large quantities of supplies of various kinds, which would have contributed to the added comfort of the enemy, and all war producing materials that were found, whatever their nature, were destroyed.

numbers of serviceable horses, totake the place of the jaded and exhausted animals, and obtain a new supply of rations, and be placed in a condifion to resume operations. CAPTURE OF BLOCKADE BUNNERS.

NEW ORLHANS, December 14 - During ther week New Onlines, Decembe 14 — During ther week criting the 7 is should, six absolute runnars were cuptured off the Texas court, fire by the Change, C. plain 13 bard Meade, and one by the Proncess, Regist Capatian Woods y. Four wore bound to Ve asked with an account cargo; the others were outward to und and laden with cotton. The one captioned by the Change had the hundred and thirty-one bales on board, and the other, captured by the Princes Resist a variety of their one had a contract of their one of the captured by the Princes Resist a variety of their one had a contract of their one of the captured by the Princes Resist a variety of their one had a contract of their one of the captured by the Princes Resist a variety of their one bales. by the Princess Royal, a range of forty one bales.

The Houston Telegraphy of the 1st instant, has

The Build States steamship S wars, of New at the front. The hospitals are also being freed the strival of the vesset, the craw and passengers were delivered over to Licotenant Caronithers, of Colonel Bales' command. She is a fine vesset, was built in Sectional for a pleasure yacht, and has been formerly used as a blockacle runner.

This is probably a fulse report, as news to the Sch instant has been received from the blockacling fleet off Calvision, and no mention whatever is the residue of the War Department that Colonel Sch instant has been received from the blockacling fleet off Calvision, and no mention whatever is cognitive who should dook to his organize the negroes who should dook to his made of such a capture.

NEWSTRON MUNICO. It is stated that the Emperor Meximilian will shortly pay a visit to Vera Cruz and Metamoras. A NEW FORT IN MEXICO PROPOSED.

In speaking of the Emperor's visit to Matamoras, the Monitor says :-

In spending of the Emperor's visit to Maramoras, the Monitor asys.—

It will give an opportunity to General Mejia to lay refere His Maj sty the lauriable project for uniting the bar of Jesus Maria with Maramoras by rainous, and to make such improvements in the anchorage ground there as may be required. This is said to be the best port in the Mexican part of the Golf. As well for its amplitude and great depth as for its security. In the departments of War and improvement, or perhaps in the Office of the Engineers in Mexico, must exist yet the details of an official survey which the Government of General Arista, through his minister, the late Senser Robles Pounela, caused Lieutenant Colonel M. de la Cuotta, of the Engineers, to make, with the assistance of Mr. Dupny, and tra-Hum, and the sid, especially, o. Colonel and server. Hun, and the sid, especially, o. Colonel and after wards General Cayetano Basari,

ABBIVAL OF THE STEAMER " CLYDE."

The steamer Clods arrived here this morning from West Pascagnum, bringing Captain Gray, of General Caube's staff; Lieutenant J. Burgess, Ordnauce Officeriof the Cavalry command; and Liconoment-Colonel Wilkeson, of the 1th New

THE BIG BLACK BRIDGE. The bridge over the Big Black, destroyed by the force which left Vicksburg some two weeks since, will take the enemy six weeks or two months to rebuild. Before its destruction trains were passing over to Hood's army at the rate of five per day.

The Rebel General Granberry. Nonrolk, Virginia, December 22 .- In you issue of the 19th inst, under the head of "Pe

sonal Intelligence," you state, as from a Washington paper, that Brigadier-General Granberry who was killed in the battle between Thomas and Hood, was the Rev. John C. Granberry, formerly pastor of the Methodist Episcopal Church, South in Washington. You will please correct this in your paper, and

request other papers who have copied the same item to do so. The Rev. J. C. Granberry was chaplain in the army of General Robert E. Lee, and I presume is still acting in that capacity. General Granberry was, I chink, from Texas, They met at Fort Warren in the year 1863 as prisoners of war. As the Rev, J. C. Granberry is my brother, I know I am correct in the above information. And as he has acquaintances and relatives at the North, I shall be obliged by the WILLIAM H. GRANBERRY.

-N. Y. Horald.

-The loyal men of Kentucky have lost, in the death of Charles H. Littell, one of the most staunch and nuwavering of the loyalists of the State. He was a fine mochanic, an excellent steamboat engluspy, and one of the best of

Thomas.

lover, Little, Little Hattie, Banshes, and Agnes E. General Thomas was born in Southampto county, Va., on the 31st of July, 1816. His family The Syren, from Charlesion, had arrived at were wealthy and educated, and he was destined fer the profession of the law. But in 1816 he re-The General Marmion, Evelon, and Kenilwort, ceived and accepted an appointment to a cadetship at the West Point Military Academy. In The Virginia, Hansa, Ella, Kile Gregg, Char-June, 1840, he graduated from that institution latie, Will-o'-the Wisp, Stormy Petrel, Little Huttle, Syren, and Star had sailed to run the ranking twelve in a class of forty-two. His first commission was that of Second Lieutenant in the 3d United States Artillery, and he immediate: joined his regiment in Fiorida, where the Indian were then warring against the Government While there he was breveted First Lieutenant for Heap up the table! till, as in the fable,
The coys and girls are fat enough to kill;
But the cusky Circe, in her smoking turkey.
The crushed hearts of the juley scarlet berries to gallantry and good conduct, and was subse quently stationed at Baltimore, New Orleans, an Fort Moultrie, Charleston harbor.

He was, from the latter place, ordered with hi ompany to report to General Zachary Taylor Corpus Christi, where he arrived in July, 1315. He was actively engaged during the Mexican war, and was created Captain for "gallant conduct the several conflicts at Monterey on the 21st, 22d, and 23d of September, 1865," In December he again figured in the advance, and cutered Victoria January, 1847, with Quitman's brigade February 23, 1847, he was breveted Major "for gallant and meritorious conduct in the battle of Buena Vista." In August, 1818, with the surviving members of his company, he recrossed the Rio Grande into Texas, and was placed in The check of every bumpkin grow mellow as a charge of the commissary depot at Santiago. After enjoying a six months' le absence, Captain Thumas was placed in copumpkin To see his dimples in his swe theart's lashes hid Company B, 3d Artillery, and ordered t Florida to take part in qualling another uprising of Indians. In 1850 he was ordered to Hoston on garrison duty at Fort Independence, and arrived

In March he was relieved and assigned to duty s instructor of artillery and cavalry at West oint. Here he remained until the summer of 558. In 1854 he went to Fort Yuma, California, 1855. In 1854 he went to Fort Yuma, California, in command of two companies of artillery. Congress soon after authorized an increase of the regular army, and Captain Thomas was transferred to another branch of the service, receiving a commission as junior Major in the 2d Cavairy. He joined his regiment at Jefferson Barracks, Missouri, in September, 1855, and proceeded with it to Texas, where he escorted the Texas reserve Indians to their new home in the Indian Territo their new home in the Indian Territory. After a brief experience on the India rontier he was ordered, in April, 1861, to Carlisle, to remount the 2d Cavalry, which had been dismounted and ordered out of Texas by the been dismounted and ordered out of Texas by the treason of Twiggs. Six of the companies were immediately sent to Washington, and with the remaining four Major Thomas was assigned to daty in the Department of Ponnsylvania. April 25, Major Thomas was promoted to Lieutenant-Colonel, and May 3 became Colonel of the 5th United States Cavalry. In the same month he was assigned to the command of a brigade in General Patterson's army, in Northern Virginia, and afterwards held the same position under General Banks.

General Banks.
On the 17th of August he was appointed Brigg On the 17th of August he was appeinted Briga-dier-General of Volunteers, and took command of Camp Dick Robiuson, near Louisville, Ky. Afterwards, as Commander of the 1st Division of the Army of the Cumberland, he took part in the campaign which resulted in the brilliant victory at Mill Spring. He was subsequently sent down the Cumberland to Nashville, and thence across the country to the Tennessee, but only a portion of his command arrived in season to take | sident Lincoln.

peinted to the command of the right wing of the Army of the Comberland. He was afterwards placed in command of the 14th Army Cores, and distinguished himself throughout the origfice I campaign of the indomitable Russians. On the 27th of October, 1863, General homas was promoted to a Brigadier Generalship

Shortly after the battle of Chickamanga, Gen-Shortly after the tattle of Chickamanga, Gen-eral Resecrans was removed from command. This created a deep sensation and great dissatis-faction among his soldiers, by whom he was uni-versally beloved. General Thomas, however, was appointed his successor, and it has been fre-quently said that no other man could have quieted the murmurings of the men. The army was now corpanized, and in Novemb r the movement for the layasion of Georgia was commenced. This was continued in the spring, when General Shernan succeeds General General General Tenant being still in command of the Army of the Comerland, which numbered over sixty thou am o so. The advance was rapid, and battle quickle so ceeded battle, in all of which the Army of the Can berland hore ao honor ble part. It was on the corps of this army (the 20th, General Slo om) that occupied Atlanta on the second of Sember, when G nerals Sacrman and Thomas sere jurning the enemy still further to the cultward. When the evacuation of Atlanta was

mown, the troops were recalled to the vicinity In October, Hood commenced his movement to wards Na-hville, intended to cut off Shorman's conmunications, and General Thomas was in-rused with the command of so much of Shorat has been done, the accounts of the battle a reaklin, a few days ago, will tell. s soldier. His fidelity in the service is prescribed, and a regular officer writes of him — "He was eightern years in the array without below absent from his post." We trust be may long be spaced to the service he so highly ornaments.

Rear-Admiral Porter, under date of the 15th estant, informs the Navy Department of the de-

has fifty days the fleet has coptured five militous five hundred thousand dollars' worth of the enemy's property in blockade-runners.

FROM BALTIMORE TO-DAY.

Special to The Evening Pelegraph . Release of Prisoners. BALTIMORE, December 23.-Mrs. Sarah Hutchins, of the Gilmor-sword memory, will arrive home to-day, when the Secessionists will give her a grand ovation. Colonel Fish, our former Proost Marshal, has also been pardoned from Albany Penitentiary.

New Year's gift of pardon to many State prisoners. Counterfeit Notes, Large numbers of counterfeit one deliar notes n the Merchants' Bank of Baltimore are circulating here. They are well calculated to deceive.

It is said President Lincoln purposes giving a

Christmas in Baltimore. Our streets are literally packed with persons out buying Christmus presents, of the most costly character.

Arrival of the "Africa." BOSTON, December 24,-The Africa has arrived at this port. Her mails will be due in Philadelphia on Sunday morning.

E-Captain Henry B. Clay, grandson of the great statesman, escaped from Union custody in Georgia several weeks since, and has reached Richmond. He is a captain in the Rebel service -William T. Smithson, the Washington banker who was sentenced a year ago to five years' hard labor in the Albany penitentiary, for correspondence with the Rebels, has been pardoned by PreTHE CANADIAN DIFFICULTY.

Queue, December 20, 1861.—The following modification was issued this morning:—

Province of Canada. Monck, To all whom these presents shall come or whom the same way.

these presents shall come, or whom the same may oneern-Greeting:Whereas a warrant in due form has issued for be apprehension of Bennett H. Young Samuel sugene Lackey, Squire Forner Tevis, Alexander

Eugene Lackey, Spuire Torner Tevis, Alexander Pope Bince, Charles Moror Swager, George Sett, Caleb McDowall Wallace, James Alexander Dory, Joseph McGrotty, Samuel Simpson Gregg, Dudley Moore, Thomas Bronston Collins, Marius Spair, and William H. Hutchinson, charged on eath with the crimes of murder, assault with intent to commit murder, and robbery, committed by them in the State of Vormont one of the United States of America, and for whose extractions are equivalent to the second division of the College States of America, and or whose extract on a requisition has been duty made by the authority of the said United State And whereas there is reason to bollove that t said Bennett H. Young, or some of them, at remain concealed in some part of our Province of Caunda; Now know ye that a reward of two hun red collars will be pard to any person or persons he will give such information as will lead to the severy and apprehension of any one and each In testimony whereof we have caused then

cur said Province of Canada to be areauto Witness, our right trusty and well-b ed cousin the Right Honorable Charles Stanle of our Lord 1864, and in the 28th year of on

eign.
By command. Wn. McDougall, Secretary. A failure of justice using occurred in consequence of the action of the servants of the Caradian people, it becomes our bounder day to do what in us lies to retrieve the difficulties that have re-uited. As it was to be expected that the raiders would be rearrested without trouble, the reward is very property offere when it is discovered that the interests of justice Applications continue to pour lu from captalu

volunteer companies who desire to perform revice on the frontier. Colonel Wiley has left for Windsor to pre-are quarters for the companies to be stationed

I learn from the best authority that General Dix. Immediately after issuing his proclamation with regard to railers from Canada, despatched a confidential agent to this province to get definite information. That gentleman returned to New York perfectly satisfied that the Canadian thorities were taking every necessary step to rform international obligations. Canada is now fully aroused, and will not

suffer herself to be made a cat's-paw to play this gnoble part. This the Washington Government fully understands from the daily communications it has with our Government, through the medium of the British Embassy. The best understanding Mr. Seward has indeed made a most favorable impression here by the prompt and considerate manner in which he has recently

It is to be regretted that the United States lovernment did not wake up at an earlier period to the importance of keeping our Govern-ment fully advised of the steps taken here by Confederates with a view to violations of our confederates with a view to violations of our neutrality, and which had come within the cognizance of its agent. Driven from every other part, the last refuge of the Southern agents is to embroil the United States and England in war, using Canada as the medium. How suc-cessfully the game has thus far been worked, the inflammable state of the frontier to day testifies.

The Consul-General of Canada, Mr. Petter, is nawell, and has gone to Wiscousin. Mr. Thurston, Vice-Consul General, is likewise ill. It would certainly be to the advantage of American interests at the present time if it had some person here to advise with our Government, that uniform

action might be effected.

The intelligent sentiment here continues strong that Mr. Coursel should either be dismissed or A person suspected to be one of the raiders, was

arrested as St. Michel yesterday, and taken to Montreal last night for the purpose of identification.—Tyronte Globs.

FINANCE AND COMMERCE.

[DOUBLE SHEET—THREE CENTS.

OFFICE OF THE RVESTON TELEGRAPH, ? Salurday, December 24. There is very little doing in stocks this morn-THE CREAT VIRGINIA ng, and the market is dull but steady; there is no material change looked for until the commencement of the new year, when a more active market is anticipated. Government bonds are uist, and the sales are limited; 5-20s sold at 1064 Probable Destruction of the a 107 | : 110 | was bid for 6s of 1881 ; Pennsylvania a are selling at 934.

Ratiroad shares are inactive with sales of Reading to notice at 57%, an advance of \$; Pennsylvania Rallroad at 511, a ductine of 1; Catawissa preferred at 374; and Philadelphia and Erie at 25 cc 20; 57 was hid for Philadelphia and Germantown ; 254 for North Ponnsylvania; and 80 for Lehigh Valley; 151 was asked for Camilen and Amboy Railroad; 411 for Little Schuylkitt; and 16 for Catawism common.

City Passenger Railroad shares continue dull, with sales of Tenth and Eleventh at 15; 63 was bid for Second and Third ; 24 for Thirseouth and Pificenth; 45 for Chestut and Walaut; 714 for West Philadelphia, and 18 for Arch struck.

what this vibilities.

From the Robmond Disputch, December 21.

We have nothing from the Stoneman raid on the Virgitia and Tennessee Railrant, except the report, a and in a telegram received yesterday by a number of the lagisinature, from South scators Virginia, that on last Sounday evening General livel curroge, having marched out from Sattylin, attacked the entity at Glade Spring, and gained a declared access, and that he renewed the actack say on Mos day murning, compelling the course to circuit prespitately towards. East Tennessee. It is not the not continued by any official intelligence received at the Wer Department, but we set to craim to discordic it.

If General Breedenrings had collected such a lorder would at all justify him in leaving his interest means, there is no doubt that he has done and and it is just like Summent, to be cut down in not exercer, as he was during his test raid in General Bank shares are firmly bold, but there is little r nothing doing in the way of sales. 1931 was d for North America; 150 for Philadelphia; for Mechanics'; 125 for Southwark; 103 for ensington; 50 for Girard; 60 for Car; 48 for on desireer, as he was during his test raid in Consolidation; and 623 for Union. PROBTING AT BUREIN, SOUTHWINTHEN VIRGINIA

In Caust shares there is very little doing. Wyoing Canal sold at 70; 33 was bid for Schuylkill Navigation common, 30 for preferred do.; 14 for General furrorings in two engagements near salvalle. We have no official confirmation of this remov, but many persons profess to know that it is well-founded.

Larras—A departed from Dublin last night states that "lighting had been going on near front Airy for two days. The salt worse were supposed to be safe there." Susquehanna Canal; and 33] for Delaware

Oil shares are unsettled, with sales of Curtin at d: Corn Planter at 74; Dalacil at 9; Eguert at McClintock, 51; Franktin, 21; Seneca, 61; St. Cholas, 44; Walnut Island, 2]; and Atlas, 2. The Board of Brokers adjurated this morning meet on Tuesday, December 27.

Gold is very dull this morning, and the transctions are limited; opening at 220]; fell off an I sold at 2284 at at II o'clock; 2201 at 12; and 2201 Some time since, in sending the partial list of leaths at Andersoaville, I inadvertently withheld at 1 P. M. Market weak.

Among the most substantial of the new Patra-The following -

PHILADELPHIA TRADE REPORT.

SATURDAY, December 24.-Trade is very dull n all departments. The Corn Exchange rooms,

banks, Custom House, insurance offices, and Interesting Decision as to Ground Rents. counting houses will be closed on Monday. COURT OF COMMON PLEAS—Judges Thompsu and Lucilow - Kinike vs. Mathers This was case stated. Platetil' claimed on two ground at deeds, dated October 12, 1773, in each of There is no shipping demand for Flour, and the salps are only in a small way for the supply f the home consumers, from \$3.75 up to \$13.50 which there was a reservation of a ground rent of twenty-one pure silver coined Spanish pieces of eight and one-third of such piece of eight, each piece of eight weighing sevention for low grade superfine and fancy lots, according to quality. Small sales of Rye flour, which is scarce, at 89(a.9-25. In Corn Meal no transacpennyweights and six grains, or so much of the lawful money of the province of Pennsylvania, as shall be sufficient from time to the to "pur-chase or procure" the same, with a covenant for tions, and prices are nominal.

There is very little demand for Wheat, and red ranges from \$2.60(a2.65; 2000 bush, Kentucky white sold at \$2.95. Small sales of Rye at \$1.73. Corn is very quiet. Small sales of old yellow at \$1 88, and new at \$1.65@1.70. Oats are in fair concert and 3000 bush, sold at 92c. In Barley nd Malt no transactions.

There is rather more inquiry for Raisins, and

prices are firm, the business being restricted by the unusual small supply. Sales of old bunch at \$4.75662, old layer at \$5.25; new do, at \$3.15, 66.23. Lemons at \$12.613. Havana Oranges

The case stated gave the value of a piece of ight on October 12, 1863, the highest value store, and the value at the time the case was sub-nitted, and on a suppose the class was sub-nitted, Green Apples are scarce, with small sales at \$5.75(a7 for New York, and \$5(0)6 for other descriptions. There is no falling off in the demand for Dried Fruit. Light receipts and reduced stock have caused more firmness and restricted sales. 25,000 lbs. Dried Apples sold at 13@14c. for Southern and Ohio, at which price they are in demand. Sales of 25,000 lbs. quarter Posches at 25@26c., chiefly for Western markets. Pared Peaches are firm at 38@40c., and the stock is very label.

light.
Whisky has declined; sales of 600 bbls. Ohio part at \$2-25@2-30, and part on secret terms.

Markets by Telegraph.

Naw Yorks, December 24.—Flour dull; sales of 5000 bols at \$5.000.00 for state; and \$11.011.20 for Ohle; Seathers unchanged. Wheat dull and decoping. Core dull and nonmall. Fork heavy; new mess, \$40.01.00 for dull; sales \$2.00 boyers effect \$21.0.

Naw York, December 24.—Stocks stronger; Chicago and Rock Island. 101: Cumberland preferred.
